

The Moab Farmers' Market Guidelines and Registration

Mission

The mission of the Moab Farmers' Market is to provide and promote a direct market venue which supports local farms, artists and craftspeople, supplies fresh, high quality food; and raises awareness about the economic, social and ecological benefits of buying local.

Market Organization

The Moab Farmers' Market is an event of the Youth Garden Project (YGP). YGP hires and manages the Market Manager each year. The Market Manager oversees all aspects of the Moab Farmers' Market, including promotion, fund raising and vendor relations. YGP and the Market Manager create the yearly budget and promotional plan, update the Market Guidelines, and Annual Calendar. At Farmers' Market meetings, the Farmers' Market Vendors have an opportunity to offer suggestions of ways to improve the market.

The Market Manager handles the daily operations of the market. The manager is the primary contact for vendors and customers. Each week the manager provides a booth with detailed information on all vendors. Individuals interested in vending should contact the 2009 Market Manager Gayle Weyher at 259-0242, to register for future markets.

Getting Signed-up

Vendors must complete the Moab Farmers' Market Registration Form, Vendor Information Sheet, and Temporary Sales Tax License Form. Registration material should be returned to the Market Manager either by mail: Farmers' Market Manager, c/o Youth Garden Project, 530 S. 400 E., Moab, UT 84532, or hand delivered to the Shafer House near GCHS.

You may participate as an ongoing vendor (with a reserved vending location) or as a drop-in vendor (you will be assigned a location by the Market Manager on the morning of the market). All registered vendors must notify the Market Manager if unable to attend at least 48 hours in advance of the market.

Those interested in Informational Booths must contact the Market Manager the Wednesday before each market. The Moab Farmers' Market strives to offer a wide variety of Informational Booths. Those participating in an Informational Booth need to fill out the Registration Form and if selling any item must register as a vendor.

The YGP, the Farmers' Market, and the Market Manager work hard to provide a high-quality market that is supportive of all – vendors, customers, and the community in general. Nobody enjoys enforcing rules, we ask that you be respectful of requests made by the Manager. If you disagree with the way you are treated by the Manager we ask that you not deal with the issue at the market, rather provide a written or verbal explanation of your concerns to the Youth Garden Project. You can attend a Farmers' Market meeting or send a letter to the Youth Garden Project, 530 S. 400 E., Moab, UT 84532.

General Market Guidelines

1. The Farmers' Market reserves the right to refuse participation to vendors who do not comply with market rules and regulations which include, but are not limited to, adhering to all city, state, and federal laws.
2. All registered vendors must pay the appropriate registration fee before they begin vending, daily market fees will be accepted after each market, Drop-in vendors will pay the appropriate fee at the end of each market day. Daily fees are due at noon and should be delivered to the Market Manager by this time. Registered vendors are encouraged to pay daily fees in advance.
3. All vendors must provide a sign (8.5 in x 11 in minimum) that displays the name and location of their farm or business. Informational Booth signs must display the name of the person or organization and state the general purpose/mission.
4. All vendors are responsible for weighting down their tents to prevent injury from flying objects.
5. All sellers agree to follow the Farmers' Market Disclosure Policy and be willing to speak candidly with customers and the Market Manager.
6. All vendors must complete the Vender's Information Sheet to be shared with the general public at the market's information booth.
7. The Market Manager will assign vending locations – registered vendors will receive a permanent location while drop-ins will be assigned on the morning of the market. To reserve your space register early. Assignments will be made based on the overall benefit of the market.
8. The Market Manager will provide Temporary Sales Tax ID numbers for all participants. These are obtained from the Utah State Tax Commission each year. Participants will complete the tax ID sign up sheet. The Market Manager will turn the Tax ID numbers into the State of Utah at the end of the season. Vendor Sales tax remittance is the sole responsibility of each vendor.
9. All sellers agree to abide by fair business practices.
10. All vehicles are expected to be parked and shut-off by 7:45AM. If you are not in place at this time, the Market Manager has the right to reassign your vending location. All vehicles not needed for vending purposes must be parked across the street to allow maximum customer parking.
11. The market opens at 8:00AM. Do not sell any products before this time.
12. The market ends at 12:00 noon. All vendors are expected to stay until this time and no vehicles are to move within the market area until the market has been closed.
13. Vendors are responsible for cleaning their space before they leave each week.

14. Sellers at the booth must be an owner, employee, or relative of the business for whom they are selling products (exceptions to this must be pre-approved by the Market Manager).
15. Compliance with all rules and regulations of the Utah Department of Agriculture and Foods, the US Food and Drug Administration, and all other regulatory agencies is the sole responsibility of the vendor.
16. All vendors/booths must fit within one of the accepted categories explained below.

Make-up of the Farmers' Market

The Moab Farmers' Market seeks to provide a market that offers fresh, local produce as well as local crafts, prepared foods, onsite services, and community information. All interested vendors are encouraged to participate and help us achieve our goal of providing a lively and abundant market.

Grower

All products must be grown within 100 miles of Moab. If grown outside of these areas participation will be considered pending approval by the Market Manager. Produce must be grown by the vendor. Resold products must be approved by the Market Manager and must be labeled as to farming practices and locations.

Craft Vendor

Items must be handmade, grown, or gathered by the seller or family members within 100 miles of Moab. If the product is made outside of these areas, but the product is not currently being sold at the market, participation will be considered pending approval of the Market Manager.

Prepared Food Vendor

All food must be prepared within 100 miles of Moab. Products should be signed or labeled with all ingredients. If the food is made outside of these areas, but the food is not currently being sold at the market, participation will be considered pending approval by the Market Manager. The vendor is responsible for following all pertinent health codes and obtaining a Food Handler's permit.

Service Vendor

Services provided to customers while at the market can include, but are not limited to: massage therapy, temporary tattoos, knife sharpening, tarot card readings, astrology charts, etc. The service provider must reside within the local region (see counties listed under Grower). Any necessary licensing is the sole responsibility of the vendor.

Informational Booth

Informational booths will be permitted at each market for display of information about community events, organizations, movements, political candidates, social concerns or any other issues. These booths cannot be used to promote any for-profit business or venture. Non-profits that wish to sell items as a fund raiser should register as one of the vendor categories above and pay the appropriate fees. Informational booths will not be charged, and registration will be filled on a first come, first serve basis. In order to maintain a relaxing and enjoyable atmosphere, we ask that information be given only to those customers that

approach a booth. Especially in regards to the signing of petitions etc., booths should be passive in soliciting customer interest. The Farmers' Market will not discriminate based on the content of information provided, however, we strongly encourage booths to be positive and respectful of all persons and ideas. Additionally, any booth that makes customers or other vendors uncomfortable and receives complaints will be asked to leave.

Sponsor Booth

Locally owned businesses that would qualify as vendors providing a local service or locally made product may not want to register as vendors but wish to support the Moab Farmers Market as Cash or In-Kind Contributors in return for a presence through signage or informational materials. With cash donations of \$250 or more these businesses may have informational brochures available at the Sponsor Booth. In-kind donations of \$250 or more will receive signage identification at the Sponsor Booth. Please contact the Market Manager if you would like to be a Sponsor of the Farmers' Market.

Special Events & Entertainment

To enhance the Moab Farmers' Market and to provide added value to the patrons, special events may be scheduled. These events are free and add excitement, liveliness and help bring in new patrons. Events may fall into four categories: arts and crafts demonstrations, food and agricultural demonstrations, community events, and local music and entertainment. If you would like to participate in a special event, please contact the Market Manager.

Signage & Appearance

Please sign your booth clearly. Customers are interested in where your products come from and how they have been grown. We encourage you to provide as many details as possible on your growing practices.

All vendors and informational booths are strongly encouraged to have a table or other structure to define their booth, hang their sign, and maintain the appearance of the market. Booths, tents, etc. must be securely weighted down to prevent injury from flying objects.

Disclosure Policy

To encourage an open and honest relationship between vendors, customers, and management, it is required that all vendors disclose information about the origin of their products. Growers are expected to disclose information about the farming practices used to grow the produce including a list of the use of any pesticides, herbicides, and/or fertilizers used, whether they be of artificial, chemical, or natural origin. Vendors are expected to honestly answer the questions of customers and the Market Manager.

Fees

An initial, \$35 non-refundable registration fee is required. Thereafter, \$8 or 15% of daily sales, whichever is less, is required for each market you attend.

Drop-ins may waive the \$35 registration fee. In this instance, \$12 or 15% of daily sales, whichever is less, will be charged for each market you attend.
