

Category	Type	Variety	Seed Source and Photo	Quantity	Details
Flowers	Balsam	Peppermint sticks	Baker Creek Heirloom Seed	2" - 24 , Small 6 pack -8	Annual. A lovely red-and-white mottled balsam that makes a stunning statement in the garden. These give splashy color over a long period on upright, edible plants. Fast blooming! The flavorful greens are cooked into curries and other dishes and are an excellent source of calcium and vitamins A and C.
Flowers	Celosia	Asian garden	Baker Creek Heirloom Seeds	2" - 32 , Small 6 pack -8	Beautiful flowers make lovely tea and pink lemonade! An award-winning spiked magenta celosia from Murakami Seed Company in Japan. This well-branched celosia is a total pollinator magnet, all abuzz with an abundance of bees and other beneficials. This all-purpose celosia is great for cutting, garden design, mixed planters and more. It received the prestigious All America Selection Award in 2017, noted by judges for its early blooming, good branching and bushy habit.
Flowers	Celosia	Higyoku Red Stem	Baker Creek Heirloom Seeds	2" - 32, Small 6 pack -8	This red-tinged Japanese variety is totally gorgeous from leaf to flower! The burgundy foliage and stems are offset by the most striking vermilion heads, making it a bold choice for beds, borders, containers, and more. The plants stand 2 to 2.5 feet tall with multiple branches that produce heads ranging in size from small pokers to tightly ruffled fist-sized crests or cockscombs. With its sturdy, multibranching habit, this versatile type is great for arrangements, and it also makes a deep crimson-colored herbal tea.
Flowers	Celosia	Eternity Mix	Baker Creek Heirloom Seeds	Small 6 pack -12	This dazzling mix of colors reminds us of a fruit bowl, blooms come in blood orange, Meyer lemon, raspberry and tangerine tones. Heads are feathery and fluffy, referred to as fusagaito in Japanese. The 2-2.5 foot tall plants are excellent for beds, borders, containers and cut flower use! The celosia is believed to have been introduced to Japan in the 8th century, there the young leaves have been used as an edible green, the colorful heads have been rendered into a beautiful natural dye and the plants were also traditionally burned in the home to deter mice from entering the home. We love this brilliant fruity mix!
Flowers	Penstamon	Palmer's Penstamon	Collected from YGP Native Flower Garden	2"- 16	Stunning native perennial with glorious spikes of pale purple snapdragon-like flowers that have a sweet scent and are beloved by bumblebees. This low-water and low-care plant thrive in poor soil. Reaches over 3' tall when in flower.
Flowers	Chamomile	German	Baker Creek Heirloom Seeds	2" - 16	Robust plants with larger flowers than the average chamomile. Medicinally potent, with a high beneficial oil content to relax and comfort both mind and body. Chamomile also attracts tachinid flies that control pests in gardens, including Japanese beetles, making it a valuable addition to your home garden. Suitable for potting and can even be kept inside in a sunny windowsill.

Flowers	Cosmo	Apricot Lemonade	Baker Creek Heirloom Seeds	2" - 32, Small 6 pack -8	A silky soft palette of unique color combinations has made Apricot Lemonade one of the most highly sought after flowers. Each bloom with its own personality, this is the first cosmos variety known to combine sumptuous shades of buttery lemon, pink, and apricot. A truly whimsical display in the landscape or for fine arrangements. Home gardeners and flower farmers alike will adore Apricot Lemonade. Honeybees and native pollinators can't get enough of this alluring bloom either.
Flowers	Cosmo	Bright Lights	True Leaf Market	2" - 32, Small 6 pack -8	Bright Lights cosmos seeds grow a playful, robust, and familiar annual. Hardy and drought tolerant cosmos as high as 36" tall with sunburst golden 2 " 3" daisy-like blooms. Bright Lights seeds are an ideal mound to highlight the back of the garden, fence, siding, or any wide open space. Bright Lights seeds promise long-lasting blooms that are a floral shop favorite used to brightly excite any seasonal fresh cut arrangement, basket, or bouquet.
Flowers	Marigold	Giant Orange	Johnny's	2" - 112	Tall, strong stems for cut flowers. Sturdy, uniform flower heads, avg. 3", can be used for marigold garlands. These giant marigolds are prolific producers for cuts as well as excellent garden performers. These flowers are also edible! Use the flowers to dress up salads and desserts or cooked in egg or rice dishes. Flavor is floral with hints of citrus and spice, and slightly bitter. Remove the petals from the flower base before consuming as the base can be quite bitter.
Flowers	Marigold	Durango Outback Mix	Johnny's Select Seeds	Six-packs- 8	Extra-large blooms with outstanding uniformity. Highly branching plants. A good choice for packs, pots, and garden planting. Bloom size is 2-2 1/2". Attracts beneficial insects such as hoverflies. Also known as French marigold. Edible Flowers: Use the flowers to dress up salads and desserts or cooked in egg or rice dishes. Flavor is floral with hints of citrus and spice, and slightly bitter. Remove the petals from the flower base before consuming as the base can be quite bitter.
Flowers	Marigold	Durango Flame	True Leaf Market	2" - 32	Durango Series French marigold seeds are an adorable, compact, and vibrant addition to grow in any home or garden. Hardy 10 " 12" bushy marigold mounds tidy enough for indoor gardening, yet robust enough to keep outside during the long summer months. Dazzling 2" anemone-like heads atop robust stalks certain to excite any garden, fresh cut arrangement, or bouquet. Durango Series marigolds are durable and easy to grow from seed, ideal for indoor containers and pots or for a charming border around the flower bed or walkway.
Flowers	Marigold	Cracker Jack Mix	Baker Creek Heirloom Seeds	2" - 32, six-packs- 12	A popular giant African Marigold mix, with beautiful double blooms. Blooms come in shades of lemon yellow to deep orange. High production of blooms.
Flowers	Nasturtium	Orchid Cream	Baker Creek Heirloom Seeds	2" - 48, six-packs- 8	A unique nasturtium that truly resembles an intricately painted orchid. Compact plants top out at just 12" tall and 10" wide and burst with creamy blooms. Each petal is splashed with blood red, a dramatic effect that catches the eye!
Flowers	Nasturtium	Empress of India	Johnny's Select Seeds	2" - 48	A Victorian era heirloom with beautiful scarlet flowers and dark green foliage. Nasturtiums make excellent companions to nearly any vegetable crop, and can help deter insect pests. Both the flowers and leaves are edible and make for a great peppery garnish or garden snack.

Flowers	Nasturtium	Alaska Mix	Baker Creek Heirloom Seeds	2" - 48, six-packs- 12	Beautifully variegated, green-and-white foliage with stunning red, yellow, and orange flowers. Superbly unique and colorful!
Flowers	Marigold	Giant Orange	Johnny's Select Seeds	2" - 112 six-packs- 16	Tall, strong stems for cut flowers. Large flower heads, avg. 3", sit atop sturdy plants. These giant marigolds are prolific producers for cuts as well as excellent garden performers. Sturdy, uniform flower heads are also useful for marigold garlands. Also known as African marigold, American marigold, and Aztec marigold. Edible Flowers: Use the flowers to dress up salads and desserts or cooked in egg or rice dishes. Flavor is floral with hints of citrus and spice, and slightly bitter. Remove the petals from the flower base before consuming as the base can be quite bitter.
Flowers	Strawflower	Silvery Rose	Johnny's Select Seeds	2" - 24, Six-packs- 8	Profuse bloomers for fresh or dried arrangements. Tall, well-branched plants produce double flowers 2–2 1/2" across. Blooms are pure to creamy white and frosted with rose at the petal tips. Rose coloring is subtler on young blooms and darkens as they mature and open. Also known as bracted strawflower.
Flowers	Strawflower	Purple Red	Johnny's Select Seeds	2" - 24, Six-packs- 8	Profuse bloomers for fresh or dried arrangements. Tall, well-branched plants produce dark wine (almost black) flowers 2–2 1/2" across. Fully open blooms reveal contrasting fiery-orange center.
Flowers	Strawflower	Copper Red	Johnny's Select Seeds	2" - 24, Six-packs- 8	Profuse bloomers for fresh or dried arrangements. Tall, well-branched plants produce vibrant copper, double blooms 2–2 1/2" across.
Flowers	Sunflower	Red Torch Mexican Sunflower	Baker Creek Heirloom Seed	3" - 48	Brilliant, red-orange, 2-3" flowers, make for a beautiful flower to look at, as well as an attractant for butterflies. These bloom over a very long season, and the plants produce masses of blooms. The large 5 foot plants are very beautiful.
Flowers	Zinnia	Mazurkia Pink	Baker Creek Heirloom Seed	2" - 64, Six-packs- 12	Annual. Each scarlet petal is tipped in cream, and both are set off by circular golden tracery at each flower's heart. Sumptuous! Dahlia flowers, large bloom size, robust plants: what more could a zinnia connoisseur ask for?
Flowers	Zinnia	Macarenia	Baker Creek Heirloom Seeds	Six-packs- 8	Large dahlia-flowered double blooms are two-toned with gold and red. Plants are just a bit compact, and the generous yield of blooms makes this an especially good variety for cut flowers. And if it's a trifle gaudy, well, that's just how we like our zinnias to be!
Flowers	Zinnia	Queeny Lemon Peach	Baker Creek Heirloom Seeds	2"- 32 Six-packs- 8	Cheerful and hardy, the lemon-colored petals reverse fade to a soft coral for a stunning transition. Blooms reach 2 to 4 inches across with a peach-colored eye and plants stand 1.5 to 2 feet tall, absolutely ideal for cut flower production. The judges of the 2022 All America's Selection lauded this very easy-to-grow variety for its heat tolerance, consistent colors and long- season blooming.

Flowers	Coreopsis	Sea Shells Mix	Baker Creek Heirloom Seeds	Small 6-packs- 16	A fantastic native wildflower with a twist! The small, 1-inch flowers have tubular petals that come in a blazing mix of rustic colors: gold, rust, orange, and raspberry. Coreopsis is a favorite care-free pollinator attractor. This tidy and compact dwarf variety stands just 1.5-2 feet tall and is perfect for the middle or front border. The plants are heat and drought tolerant and very attractive to beneficial insects. The charming color scheme makes this a must-have for designing beds, borders, prairies, and landscapes!
Herbs	Basil	Genovese Italian	Johnny's Selected Seeds.	2" - 192 small 6 Pack - 60	Genovese Basil is a popular Italian pesto basil. Its flavor is slightly sweet and peppery. Easy to grow and adaptable—an excellent variety for home gardeners! Harvest regularly for a long harvest season.
Herbs	Basil	Sweet Thai	Johnny's Selected Seeds.	2" - 32	Authentic Thai basil flavor. Try it as a flavorful garnish for sweet dishes. Green, 2" long leaves have a spicy, anise-clove flavor. Attractive purple stems and blooms.
Vegetables	Broccoli	Happy Rich	Johnny's Selected Seeds.	3" - 45	Early, tender, and productive. Similar to Happy Rich, with good flavor and tenderness, a long harvest window, and some heat tolerance. An easy-to-harvest variety with a sturdy plant habit. Unique, blue-tinged leaves and beads set it apart from other standard mini-broccoli varieties. More compact plant habit than Happy Rich, with narrower leaves. The central head can be harvested before the side shoots.
Vegetables	Cabbage	Capture Green	Johnny's Select Seeds	3" - 18	This vigorous green cabbage produces well-rounded, 3-6 lb. heads, depending on planting density. The crisp, sweet taste, makes this cabbage perfect for fresh salads and cole slaw.
Vegetables	Cabbage	Mammoth Red Rock	True Leaf Market	3" - 18	The Mammoth Red Rock cabbage has a beautiful reddish-purple tone to its heads, which have a subtle, delicate, and sweet flavor. It is a hardy crop and it does well when growing in climate zones one through ten. The plant produces large heads after around ninety days. This is an excellent choice for gardeners looking for a classic red cabbage to add to salads, slaws, and other dishes.
Vegetables	Collard Greens	Top Bunch	Johnny's Select Seeds	3" - 18	Georgia-type hybrid. Earliest to harvest. Tall, productive plant produces medium-green, slightly savoyed leaves. Our most attractive variety for fresh market sales.
Vegetables	Cucumber	Lemon	Baker Creek Heirloom Seeds	3" -45	This cucumber is the shape, size, and color of a lemon. Sweet and mild flavor. Wonderful on its own, pickled, or in salad. Late to set fruit, but worth the wait.
Vegetables	Cucumber	Armenian	True Leaf Market	3" -54	Open-pollinated. Sweet, never-bitter, always crisp, mint-green fruits grow up to 18" long!
Vegetables	Cucumber	Marketmore	True Leaf Market	3" -36	Introduced in 1968 by Cornell University, 'Marketmore' is a beautiful, dark green cucumber that's ready to pick when 6"-8" long. Fruits keep their size and shape even under poor weather conditions unlike other varieties that may curl and become misshapen. The 4'-6' long vines continue to produce with regular picking.
Vegetables	Cucumber	Boston Pickling	True Leaf Market	3" -54	The Boston Pickling cucumber is an early variety of cucumber that is sweet, tender and seedless. The Boston Pickling is large and smooth with a soft outer layer. Since this variety is mature in just fifty two days, a steady harvest can be achieved by planting regularly throughout the season.

Vegetables	Eggplant	Orient Express	Johnny's Select Seeds	2" -16 4" -30	The most dependable Asian eggplant. High-yielding plants produce armloads of attractive, slender, glossy fruits 8–10" long by 1 1/2–2 1/2" diameter. Ready up to 2 weeks before other early varieties. Sets fruit in cool weather and under heat stress. Tender, delicately flavored, and quick-cooking.
Vegetables	Eggplant	Black Beauty	Botanical Interests	2" - 32 4" - 45	A classic dark purple eggplant, this variety has well-branched plants that bear fruit high off the ground. The pear-shaped, purple-black skinned fruits will look familiar but taste worlds better than store-bought.
Vegetables	Ground Cherry	Aunt Molly's	Baker Creek Heirloom Seeds	4" -15	This yellow berry is closely related to a tomatillo with an acidic tang and wild sweet taste. Very tasty with hints of pineapple. Bushy low growing plants do well in poor soils and are resilient in drought conditions.
Vegetables	Tomatillo	Pancho	Johnny's Select Seeds	4" -15	Large, uniform fruits for easier salsa prep. Impressive yield and fruit size for a semi-early tomatillo. Strong, vigorous plant develops a thick trunk to bear the fruit load. Round to apple-shaped fruit. Similar to Super Verde in size and yield, but produces rounder, more uniform fruits earlier and has a more open plant habit.
Vegetables	Kale	Black Magic Lacinato	Johnny's Select Seeds	3" - 90	Highly uniform for full-size production. Black Magic is a well-maintained selection of Toscano kale with long, narrow leaves for attractive and tall, straight bunches. Dark blue-green leaves with beautiful savoy. Lacinato or "dinosaur" type kale.
Vegetables	Kale	Curly Green	Johnny's Selected Seeds	3" - 90	Standard green curly kale. Plants are tall, with excellent yield and good cold hardiness. The ruffled, blue-green leaves have an attractive curl. Vigorous plants will continue growing to produce leaves for successive harvests as the lower leaves are harvested.
Vegetables	Leek	King Richard	Johnny's Selected Seeds	small 6 pack - 24	King Richard is known for his long, white legs, and these leeks are signature for beautiful, long white shanks. These leeks can be harvested early for leek bunches, or will continue growing and can be left to store in the ground.
Vegetables	Melon	Cantaloupe, Hale's Best Jumbo	Botanical Interests	3" - 18	An heirloom variety with excellent taste. Beautiful golden ribbing on the outside of the fruit indicates ripeness, and it's sweet smell will let you know when it's ready to pick. Vines thrive in hot weather, and can be trellised to save space in the garden.
Vegetables	Melon	Cantaloupe, Noir des Carmes	Seed Savers Exchange	3" - 18	A true French cantaloupe named for the Carmelite monks who once tended it in France. One of the easiest to grow and most luxurious of all melons. Rich black-green skin when immature, ripening to orange mottled with green. Sweet, aromatic, orange flesh; flavor is complex and deeply satisfying.
Vegetables	Melon	Honeydew, Sweet Delight	Botanical Interests	3" - 18	These vine-ripened honeydew melons are incredibly sweet, far superior to store-bought. Melons grow to about 7" in diameter and weigh 7-8 lbs.
Vegetables	Melon	Watermelon, Sugar Baby	True Leaf Market	3" - 36	Heirloom, heat tolerant, seeded, mini watermelon. Suitable for growing in garden plots and large containers. Early to mature and harvest, the Sugar Baby watermelon is a smaller oval-shaped dwarf variety that still boasts the same amount of sugar and sweetness as a watermelon 4x its weight. Sugar Baby matures to 6-8" across and about 8-10 lbs at harvest. This melon is most recognizable by its solid matte green, nearly black skin.
Vegetables	Melon	Watermelon, Mountain Sweet Yellow	True Leaf Market	3" - 18	Oblong 20-35 lb fruits with dark and light green stripes. Extra firm, deep yellowish flesh and black seeds. Quite productive, very high sugar content.

Vegetables	Melon	Watermelon, Orangeglo	Baker Creek Heirloom Seeds	3" - 18	Beautiful, deep orange flesh; very sweet, excellent, almost tropical flavor! The best-tasting of ALL orange varieties we tried—the favorite of many who tried it at our place. High yields. Very resistant to wilt and insects; strong healthy vines.
Vegetables	Onion	Red Creole	True Leaf Market	small 6 pack - 24	The red creole onion was developed in 1962 by the Desert Seed Company in California. This red onion is know for its storage ability and quick production in the South. Red creole has a flavor that is not quite as sweet as some red onions, but is spicy and excellent for cooking.
Vegetables	Onion	Yellow - Scout	Johnny's Select Seeds	small 6 pack - 24	Early yellow, intermediate-day Spanish type with disease resistance. Attractive, jumbo to colossal bulbs are globe to slightly grano-shaped. Very good skin retention for type. Scout has mild to slightly pungent flavor and stores approx. 3-4 months.
Vegetables	Onion	Walla Walla	Alice Drogin	large 6 pack - 18	Large onions with a famously mild and sweet taste, can grow up to 2 lb each!
Vegetables	Onion	<i>Unknown Red</i>	Alice Drogin	large 6 pack - 19	
Vegetables	Pepper	Ancho -Baron	Johnny's Select Seeds	2" - 32 4" - 15	This med- hot pepper has great flavor and thick, meaty pods. Very large fruits, avg. 5" x 3", and are typically 2-lobed, which makes them easy to stuff and cook in their signature dish, chile rellenos. They also may be dried and ground into medium-hot powder or flakes. A famous variety from New Mexico in a region with a similar climate and elevation to Moab.
Vegetables	Pepper	Pimento	True Leaf Market	2" - 16 4" - 15	A mild pimento pepper that's about 4-1/2" long and heart-shaped. These sweet pepper seeds produce compact plants. Red when fully mature, these sweet peppers have a mild flavor and unique shape that make them a great choice for using as a garnish, chopped for green salads, or topping a pizza. Sweet Pimento peppers are often pickled.
Vegetables	Pepper	Orange Gourmet Bell Pepper	Johnny's Select Seeds	2" - 32 4" - 15	Bright orange large sweet fruits with thick walls. Widely adapted and performs well under a wide variety of conditions. Strong compact plants have a high yield potential. High resistance to tobacco mosaic virus.
Vegetables	Pepper	California Wonder Bell Pepper	True Leaf Market	2" - 75 4" - 30	One of the most recognizable sweet peppers in the world, the classic green and red Cal Wonder truly is one of the easiest garden seeds to grow. Delicious 3-4" squared sweet bell peppers known for their exceptionally thick, yet sweet and tender, pepper walls.
Vegetables	Pepper	Carmen	Johnny's Select Seeds	2" - 16 4" - 15	Best-tasting sweet Italian frying pepper. A high-performing rendition of the classic Corno di Toro (or "Bull's Horn") pepper popular in Italy. Early, adaptable, and notably sweet (especially when fully red-ripe) with a shapely tapered silhouette. Begins green, then deepens to a beautiful carmine at maturity. Excellent roasted, grilled, and in salads.
Vegetables	Pepper	Holy Mole	True Leaf Market	2" - 16	Pasilla-type pepper is used to make the famous mole-sauce. Hybrid vigor brings very high yields of 7 to 9 inch-peppers measuring 1 1/2 inches across. The fruit can be harvested green or allowed to mature to a dark chocolate-color. The flavor is nutty and tangy. Mature plants can get 3 feet tall.

Vegetables	Pepper	Habanero	Johnny's Selected Seeds.	2" - 16 4" - 15	Hot! Wrinkled fruits ripen from dark green to orange. Extremely pungent with a delicious exotic sweetness that accompanies the considerable heat. Small plants don't take up much space. A great addition to salsas and fruit jams.
Vegetables	Pepper	Serrano- Altiplano	Johnny's Selected Seeds.	2" - 32 4" - 15	Hot! Larger fruits than 'Hot Rod' is a traditional serrano with 4" fruits borne on big plants over a long harvest period. The spicy dark green fruits are eaten green but also make fine chipotles if allowed to ripen to red. Proven producer at YGP.
Vegetables	Pepper	Jalapeño	Johnny's Selected Seeds.	2" - 48 4" - 60	Hot! 'El Jefe' offers the best combination of earliness and yield in a jalapeño. Fruits avg. 3-4" on large plants.
Vegetables	Pepper	Jimmy Nardello	High Desert Seed and Gardens	2" - 24 4" - 15	This pepper has a legendary sweet, rich flavor. The plant produces early-maturing long, thin, red Italian frying peppers that are less vulnerable to sunscald. When cooked, said to have the flavor of roasted apple.
Vegetables	Pepper	Lunchbox- Orange	Johnny's Selected Seeds.	2" - 48 4" - 75	Orange "Lunchbox" snack bell pepper. These beautiful, mini-sized peppers are remarkably sweet and flavorful. They are delicious sautéed, as an addition to salads, and perfect for a fresh snack. Dense foliage protects fruits from sunscald.
Vegetables	Pepper	Anaheim Green Chile - Spitfire	Johnny's Select Seeds	2" - 32 4" - 95	Great multipurpose green chile for processing and fresh use. Spitfire is a mild and fruity chile that is great for roasting and stuffing. Medium-tall plant; for many the most productive traditional Anaheim type. Uniform fruits are the traditional semi-flattened shape.
Vegetables	Pepper	Shishito	Snake River Seed Cooperative.	2" - 64 4" - 30	These rich and delicious thin skinned frying peppers are flavorful and mostly mild. Best grilled or quickly blistered in a hot skillet. What a treat!
Vegetables	Pepper	Scotch Bonnet- Yellow	True Leaf Market	2" - 16 4" - 15	HOT! A variation of the famous Red Scotch Bonnet pepper, the Yellow Scotch Bonnet shares all the same flavors and heat profiles, rated at anywhere from 100,000 - 350,000 SHU. Scotch Bonnet hot peppers first emerge as small and green 1 inch big button peppers that turn yellow when ready to harvest.
Vegetables	Squash/Pumpkin	Pinnacle Spaghetti Squash	Johnny's Selected Seeds.	3" - 18	Mid-sized spaghetti squash. Pinnacle has slightly a sweet, nutty flavor, and bright yellow skin. Fruit weighs avg. 3 lbs, with very uniform size.
Vegetables	Squash/Pumpkin	Jack O' Lantern Pumpkin	Johnny's Selected Seeds	3" - 18	Medium- Large blocky round pumpkins that are slightly russeted with deep orange color and tough green handles. Great for carving and eating!
Vegetables	Squash/Pumpkin	Early Prolific Straightneck	Botanical Interests	3" - 36	This All-America Selections award winner is still a favorite and for good reason! Thick, firm, fine-grained delicious squash is ready to harvest in just 45 days! Versatile summer squash can be eaten raw, pickled, or cooked in innumerable ways, including in sweet breads. Best picked at 4"-7", or smaller for "baby" size. If left on the vine, it may grow so big that it would take two people to carry it!
Vegetables	Summer Squash	Black Beauty Zucchini	Botanical Interests	3" - 36	Zucchini is one vegetable that just won't quit! This highly productive bush-type heirloom from the 1920s takes up little garden space. Dark green, shiny fruits with tender skin are very versatile in the kitchen. Can be steamed, sautéed, added to soups, omelets, and breads, made into relish, and eaten raw in salads or with dip.

Vegetables	Sweet Potato	Purple Sweet Potato	Moonflower Co-Op + Youth Garden Project	3" -54 Small 6-packs - 36	These Japanese purple Sweet potato plants produce beautiful bright green vines with edible leaves. These very heat tolerant and vigours plants with look beautiful grown in patio containers or as an edible ground cover. At the end of the season these vines produce a yeild of beautiful deep purple sweet potatoes that are sure to impress!
Vegetables	Tomato, Cherry	Beam's Yellow Pear	True Leaf Market	2" - 32 4" - 35	Indeterminate, yellow pear-shaped cherry. The tall, vigorous vines supply bright fruits with great flavor. Perfect for salads or snacking, and looks great mixed in with other cherry tomato varieties.
Vegetables	Tomato, Cherry	Esterina	High Mowing	2" - 32	Indeterminate yellow cherry. This vigorous variety is often earliest to ripen, and produces an incredible amount of sugar-sweet fruit all season.
Vegetables	Tomato, Cherry	Indigo Rose	True Leaf Market	4" - 30	Indeterminate indigo cherry. Striking, dark blue coloration and red flesh in this improved indigo variety. A vigorous plant with large clusters of fruit.
Vegetables	Tomato, Cherry	Indigo Cherry Drops	Johnny's Select Seeds	2"- 16	This is the darkest tomato bred so far, exceptionally high in anthocyanins. Anthocyanins are powerful anti-oxidants. In the early stages of fruit development, Indigo Rose develops a dark purple pigment in its skin where exposed to direct sunlight. Green when unripe, purple-red when ripe, the 1-2 oz., cocktail-sized tomatoes have good flavor with 'plummy' overtones. Compact indeterminate.
Vegetables	Tomato, Cherry	Orange Hat	Baker Creek Heirloom Seeds	2" - 16 4" - 15	Our favorite new micro tomato! Extra dwarf bush plants reach just 6-9 inches in height but the plants are wildly prolific, offering oodles of tiny orange orbs that burst with fruity sweet flavor. This is the perfect indoor or patio tomato, comfortably fitting in a 6-inch pot. Try these colorful and compact plants as an edible ornamental, mass planted in beds or borders or in mixed containers. Determinate.
Vegetables	Tomato, Cherry	Sungold	Johnny's Selected Seeds.	2" - 50 4" - 48	Indeterminate orange cherry. Exceptionally sweet fruit. Famously vigorous plants start yielding early and bear right through the season.
Vegetables	Tomato, Cherry	Sunrise Bumble Bee	Johnny's Selected Seeds.	2" - 32 4" - 16	Indeterminate, yellow cherry tomato with red stripes and pink interior marbling. Gorgeous combination of yellows and reds, inside and out. Excellent sweet and tangy flavor.
Vegetables	Tomato, Cherry	Supersweet 100	Johnny's Selected Seeds.	2" - 32 4" - 50	Indeterminate red cherry tomatoes bursting with sugary flavor. The scarlet, cherry-sized fruits are produced in long pendulous clusters right up to frost.
Vegetables	Tomato, Cocktail	Jaune Flamme	Seed Savers Exchange.	2" - 32 4" - 30	A YGP favorite. Indeterminate, with smallish apricot-orange fruits can grow to 4 oz, great for snacking and salads. Highly productive. They maintain their rich orange color even when dried.
Vegetables	Tomato, Paste	Amish Paste	Baker Creek	4" - 15	Many seed savers believe this is the ultimate paste tomato. Giant, blocky, Roma type tomatoes have delicious red flesh that is perfect for paste and canning. It has world-class flavor and comes from an Amish community in Wisconsin.

Vegetables	Tomato, Paste	San Marzano II	Johnny's Select Seeds	2" - 32 4" - 30	San Marzano is considered one of the best paste tomatoes of all time, with old-world look and taste. Whole 4–6 oz. tomatoes peel easily and cook down quickly. Various strains of San Marzano exist; this strain was selected by tomato breeder Emily Rose Haga from seeds from the USDA gene bank, which is designed to preserve genetic diversity and increase food security. The strain originates from Parma, Italy, where it was developed for the 1950's canning industry. This strain has a very traditional San Marzano shape and appearance as well as a vibrant red color. Indeterminate. USDA Certified Organic.
Vegetables	Tomato, Plum/ Mini Roma	Juliet	Johnny's Select Seeds	2" - 32 4" - 15	Indeterminate mini-roma cherry tomato similar to Juliet tomatoes. Deep red, shiny fruits with 12-18 fruits per cluster. Delicious, rich tomato taste for salads, salsa and fresh pasta sauce. Keeps for days on the counter. The low moisture fruits are very well suited for sun drying.
Vegetables	Tomato, Slicer	Estiva	Johnny's Select Seeds	2" - 16 4" - 30	Exclusive! Delicious slicer with impressive heat tolerance. 7–9 oz. tomatoes resist cracking and are remarkably uniform. High production and premium flavor in a mid-size fruit. Bred for tunnel production in the Mediterranean region, Estiva is known for its uncanny ability to set fruit in excessive heat, and it produces fully loaded trusses of deep red fruit over a long season. High resistance to Fusarium wilt races 1, 2, tobacco mosaic virus, and Verticillium wilt. Indeterminate.
Vegetables	Tomato, Slicer	Cherokee Purple	Johnny's Selected Seeds.	2" - 32 4" - 45	Indeterminate slicer with full flavor. The famously rich flavor and texture make this a colorful favorite among heirloom enthusiasts. Medium-large, flattened globe, 8-12 oz. fruits. Color is dusky pink with dark shoulders. Interior ranges from purple to brown to green. Relatively short vines.
Vegetables	Tomato, Slicer	Dr. Wyche's Yellow	Baker Creek Heirloom Seeds	2" - 16 4" - 30	Indeterminate yellow slicer. This variety has bright, golden yellow fruits that grow up to 1 lb. Meaty flesh with good flavor and high yields. A star producer at YGP in 2019, which was a relatively weak tomato year.
Vegetables	Tomato, Slicer	Big Beef	Johnny's Select Seeds	2" - 16 4" - 30	Nice combination of size, taste, and earliness. Still unsurpassed as the top choice for fresh market beefsteak tomatoes. Large, avg. 10–12 oz., mostly blemish-free, globe-shaped red fruit. They have full flavor—among the best—and ripen early for their size. Broad disease resistance package. AAS winner. Indeterminate.
Vegetables	Tomato, Slicer	Paul Robeson	Baker Creek Heirloom Seeds	2" - 16 4" - 30	Indeterminate slicer. This tomato has close to a cult following among tomato connoisseurs. This slicer has a gorgeous purple-red colour and a distinctively sweet, smoky flavour. Named in honor of the actor, opera singer, and civil-rights advocate Paul Robeson.
Vegetables	Tomato, Slicer	Carbon	Johnny's Select Seeds	2" - 16 4" - 15	Delicious, highly productive black heirloom. Resists cracking and cat-facing better than other large, black heirlooms, producing a higher proportion of marketable fruit. Blocky-round, 10-14 oz. fruit with dark olive shoulders fading into a very dark, brick red. Boasts the signature rich flavor and meaty texture of a classic black tomato. Indeterminate.

Vegetables	Tomato, Slicer	Pink Brandywine	True Leaf Market	2" - 48 4" - 30	These heirloom Pink Brandywine tomatoes are known for their delicious sweet flavor, smooth flesh and hefty size of around 1 lb. each. Interestingly, these large, well-known heirloom tomatoes that date back to the late 1800s grow on vines that are potato-leaved. The exceptional flavor of Pink Brandywine tomatoes makes them a favorite for eating fresh in green salads or sliced and served on sandwiches and burgers. Mountain Valley Seed Co., which is a small, family-run seed company, produces these premium-quality heirloom tomato seeds.
Vegetables	Winter Squash/Gourd	Birdhouse Gourd	Baker Creek Heirloom Seeds	3" - 18	A classic gourd for crafting. Larger, rounded blossom end with a narrow neck and slightly bulbed stem end. Harvest when the smooth, greenish rind turns white or starts to brown. Dry for crafting into durable bottles, birdhouses, etc. Trellis vines to save space.
Vegetables	Winter Squash/Pumpkin	Waltham Butternut Squash	True Leaf Market	3" - 36	Not to be mistaken for Butternut the cat. Waltham is the most popular butternut squash variety. It is more uniform in shape and size, with fewer crooknecks. This Organic butternut has an excellent interior texture and color. Typically grows 8"x4" and can weigh up to 6 lbs.
